I wanted to thank you for the wonderful job you did of my rental cabin, Laurel Mountain. It just goes to show you that with today's tech knowledge of digital cameras, one would think taking pictures is a piece of cake. Boy, how wrong was I!! The difference between a professional and an amateur picture is unbelievable. As the old saying goes, a picture is worth a thousand words. In my case a professional picture is worth more rentals for Laurel Mountain. You have taken beautiful pictures here at Leatherwood. We are proud to be one of your clients. Thanks again.
